ARTICLE 8

GRIEVANCE AND ARBITRATION PROCEDURES

8.01. Any grievance or dispute which may arise between the City and any employee or the Union regarding the interpretation or application of any provisions of the Agreement shall be settled according to the procedures set forth in this article. However, no grievance may be initiated or entertained by the parties concerning questions of the general salary schedule.

STEP ONE:

An employee who has a grievance may reduce it to writing and submit it to the Head of the Department or designee within fifteen (15) calendar days after the first occurrence of the event giving rise to the grievance, or their knowledge of its occurrence. The grievance may set forth the nature and may specify the section(s) of the Agreement alleged to have been violated.

A conference/hearing between the parties may be held within five (5) calendar days thereafter. The Department Head or designee may give a decision in writing to the aggrieved party within eight (8) calendar days following the conference/hearing.

STEP TWO:

If the grievance still remains unadjusted, it may be appealed in writing to the Human Resources Director, or designee, within fifteen (15) calendar days after the response of the Dept. Head or designee was due. The Human Resources Director may within fifteen (15) days schedule a hearing, the date of which may be set by mutual consent. Such hearing may be waived by mutual consent. The Human Resources Director, or designee, may render their decision in writing within fifteen (15) calendar days after the hearing.

Any agreement reached between the City and the Union at any step of the grievance procedure is binding on all parties affected.

STEP THREE - ARBITRATION

Any dispute which has not been satisfactorily settled after the procedures set forth above have been exhausted may, at the request of either party, be submitted to arbitration within thirty (30) calendar days from the date the final decision in step 2 of the grievance procedure is due. The party wishing to refer the matter to arbitration may so notify the other party in writing stipulating the matter to be arbitrated and requesting arbitration.

The arbitration may be conducted by an arbitrator to be selected by the City and the Union if they can mutually agree upon the arbitrator's selection within fifteen (15) calendar days after notice has been given. If the parties are unable to select an arbitrator who is mutually acceptable, then the grievance may be submitted by either party to the American Arbitration Association according to its procedures. The cost of any arbitration proceedings shall be divided equally between the City and the Union. The decision of the arbitrator may be limited to the specific point of difference submitted to the arbitrator. The arbitrator may have no power to add to or subtract from, modify or amend any of the provisions of this Agreement. The decision of the arbitrator may be final and binding upon both parties.

The arbitrator may have the power to direct a resolution of the grievance up to and including restoration to the job with all compensation and privileges that would have been the employee's.

The arbitrator may be requested to render a decision within thirty (30) calendar days following the closing of the arbitration proceedings.

If either party desires a verbatim record of the proceedings, it may cause such a record to be made, provided it pays for the record and makes copies available without charge to the other party and to the arbitrator.

8.02. Grievances involving disciplinary action shall be processed beginning at the first step for clerical employees.

8.03. Failure to process a grievance within the time limits established in this article presumes that it has been satisfactorily resolved at the last step to which it has been properly processed. In the event that the representatives of the City do not answer within the time limits herein provided, the grievance may be appealed directly to the next step of the grievance procedure. Time limits specified in the preceding paragraphs of this article may be extended by agreement of both parties.

8.04. An employee may present a grievance and have such grievance heard without intervention by the exclusive representative of the employee organization representing said employee, provided that the exclusive representative is afforded the opportunity to be present at such conferences and that any adjustment made shall not be inconsistent with the terms of an agreement then in effect between the employer and the exclusive representative.

8.05. Any arbitration hearing scheduled may be held in the City of Northampton, Mass.

8.06. In the event of a disciplinary action involving any method set forth under M.G.L. Chapter 31 and subsequent to a hearing before the Appointing Authority, an employee may, within ten (10) days of the receipt of said disciplinary decision, elect to appeal said action by initiating an arbitration proceeding in accordance with Section 8.01, Step Three above. Such appeal may be the exclusive remedy pursuant to the provisions of General Laws, Chapter 150E, Section 8, as amended.

SUB-CONTRACTING

48.01. The City agrees it shall not contract out bargaining unit work if such subcontracting requires

the lay off of current bargaining unit employees or the loss of present position.

ARTICLE 49

DISABILITY AND RETURN TO WORK

49.01. The City agrees to develop a light duty policy in accordance with the Americans With Disabilities Act.

49.02. The City may require an employee, subsequent to injury or disability, to be examined by its designated physician, at City expense prior to being approved to return to work.

49.03. RETURN TO WORK/NON-WORK RELATED INJURY POLICY

When an employee is utilizing non-work related sick leave, he or she shall be permitted to return to work within thirty (30) calendar days of the date he or she stopped working upon presentation of a note from a treating physician, subject to a request from the Department Head, releasing said employee to return to full duty. The City, may at its discretion, provide the employee with a written job description of his/her position and require the employee to present it to his physician.

If an employee is out on sick leave for more than thirty (30) consecutive days and then seeks to return to duty, the City may require said employee to undergo a medical examination (at City expense) for the purpose of determining the employee's fitness for duty. The City shall endeavor to schedule an examination promptly so that the employee can return to duty (if found fit) on the date specified by the treating physician. In the event that an examination is not scheduled promptly, the City will not charge the employee's sick time account for any delay in returning to work caused by such delay.

If the treating physician and City-designated physician disagree as to the employee's

fitness to return to duty, the Union and the City will jointly select a third independent physician who shall determine the employee's fitness to return at the City's expense. If the independent physician agrees that the employee may return to duty, the employee shall not have his sick leave account charged for any delay in returning to work caused by the invocation of this procedure.

49.04. The City will offer long-term disability coverage for non-work related injuries at the employee's sole expense - through its C125 plan.

ARTICLE 50

Membership Application

American Federation of State, County and Municipal Employees Membership and Authorization for Dues Deduction

PLEASE PRINT LEGIBLY.

I hereby apply for membership in Council 93 (hereafter "Union") and I agree to abide by its Constitution and Bylaws. I authorize the Union and its successor or assign to act as my exclusive bargaining representative for purposes of collective bargaining with respect to wages, hours and other terms and conditions of employment with my Employer.

Effective immediately, I hereby voluntarily authorize and direct my Employer to deduct from my pay each pay period, regardless of whether I am or remain a member of the Union, the amount of dues certified by the Union, and as they may be adjusted periodically by the Union, and to authorize my Employer to remit such amount monthly to the Union.

This voluntary authorization and assignment shall remain in effect in accordance with the applicable collective bargaining agreement. If the applicable collective bargaining agreement or state statute does not address revocation, then this voluntary authorization and assignment shall be irrevocable, regardless of whether I am or remain a member of the Union, for a period of one year from the date of execution or until the termination date of the collective bargaining agreement (if there is one) between the Employer and the Union, whichever occurs sooner, and for year to year thereafter unless I give the Employer and the Union written notice of revocation not less than ten (10) days and not more than twenty (20) days before the end of any yearly period, or in accordance with state statute. The applicable collective bargaining agreement is available for review, upon request. This card supersedes any prior check-off authorization card I signed.

I recognize that my authorization of dues deductions, and the continuation of such authorization from one year to the next, is voluntary and not a condition of my employment.

In order to comply with Internal Revenue Service rulings, be advised that your membership dues are not deductible for federal income tax purposes. However, they may be tax deductible as ordinary and necessary business expenses.
